

# MY SALON Suite®

*Sheri and I have been looking for a Franchise for over 1 year. We were lucky enough to find Frank Caperino. Funny that he was referred to us by another Franchise system, which is incredible in itself! Frank has helped us on our journey. We will forever be indebted to him. Frank has the combination of rare qualities; true sincerity, understanding of people and of course great business acumen.*

*Thank you, Frank. You will always be part of our life story.*
